OPJS Students Triumph at CBSE Far East Zone Badminton Championship.

In a display of outstanding prowess, OPJS Savitri Nagar students marked their presence at the recently concluded CBSE Far East Zone Badminton Championship. A total of 19 budding badminton players participated across under 14, 17 and 19 boys' and girls' categories, leaving a remarkable imprint in the tournament.

The under 14 boys' contingent emerged as a standout, clinching the prestigious BRONZE MEDAL in a highly competitive event. The victorious team consists of :-

NAME	CLASS
Ritesh Kumar	VIII-A
T. Gaurav	IX-C
Nirmal Rai	VII-C
Arjun Mishra	VIII-A

Think Piece

"Twenty years from now you will be more disappointed by the things that you didn't do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover."-Mark Twain

Principal's Desk

Dear Readers,

I am thrilled to unveil the newest edition of DRISHTI, our beloved alma mater's newsletter.

Encouraging exposure fosters confidence and learning in children, propelling them toward incredible achievements. Exposure broadens their perspectives, instilling a sense of adaptability and curiosity. Through varied experiences, children not only gain knowledge but also develop resilience, essential for navigating life's challenges with confidence.

Our students recently participated in remarkable events, such as CBSE Far East Zone Badminton Championship, MUN Bilaspur & Geofest International Lucknow, offering them exhilarating experiences and valuable exposure. This edition is dedicated to celebrating these exceptional events along with our CCA winners, who have added a vibrant chapter to our school's journey.

Let's delve into the pages of DRISHTI and relish the stories and achievements that showcase the spirit of our incredible students.

Rakesh Sharma
Principal

OPJS Students Shine at MUN Conference Hosted by DPS Bilaspur.

Model United Nations (MUN) is an educational process of the United Nations held in schools and colleges around the world. Students take on the roles of delegates from different countries and debate on current issues in committees that mirror the UN's structure. This allows them to learn about diplomacy, international relations, and the UN's role in solving global problems.

In a display of exemplary diplomatic prowess, 16 students from OPJS showcased their skills at the Model United Nations (MUN) conference organized by DPS Bilaspur. The event, held over several days, saw enthusiastic participation from schools across the region.

The OPJS delegates immersed themselves in intensive research, diligently preparing position papers that articulated their stances on a range of global issues. The meticulous groundwork laid the foundation for their active engagement during committee meetings, where they entered into formal debates and negotiations with peers representing various countries.

The OPJS delegation not only contributed substantively to the discussions but also stood out for their commitment to diplomatic decorum and collaborative problem-solving. Their performance garnered praise from organizers and fellow participants alike.

Key benefits of participating in MUN:

- Develops public speaking and debating skills
- Enhances critical thinking and problem-solving abilities
- Promotes understanding of international relations and global issues
- Teaches teamwork and cooperation
- Provides opportunities to build networks and make connections with others
- Helps to learn to see and analyze one situation from various angles.

OPJS Savitri Nagar at Geofest International 2023

In a vibrant display of global collaboration, City Montessori School, Lucknow successfully organized the 17th Geofest International from November 19th to 24th 2023. The event witnessed enthusiastic participation from students hailing from various countries and different regions of India. (62 teams from India & Abroad)

The primary objective of Geofest International 2023 was to inspire and motivate students to take proactive measures for environmental betterment. With a focus on preventing degradation and ensuring the sustained well-being of the environment, the event aimed to foster a sense of responsibility among the young participants.

Notably, 10 students from OPJS Savitri Nagar actively engaged in the Geofest, contributing their perspectives and ideas to the global discourse on environmental issues. Their participation reflects a collective effort to encourage youth involvement in addressing pressing environmental challenges.

Throughout the event, participants engaged in discussions, workshops and collaborative projects, exchanging insights on sustainable practices and innovative solutions. The Geofest International platform provided a unique opportunity for students to broaden their understanding of environmental issues and explore actionable strategies for positive change.

Prizes Earned:
Geo Mime: Judges' Choice Prize
3D Soft Board: 2nd Position

CCA – Winners

Till 30 November 2023

Congratulations
